Dear Bob:

Thanks very much for your Christmas card, and the question, "Why doesn't CIA do something?" We are doing, I think, all we can. We have been testifying and "speechifying" all over the place.

Dear Ed:

I note in the minutes of the meeting of the CED Board of Trustees for 21 November 1957 that you spoke on "Are the Soviets Winning the Battle of Production". As you know, Mr. L. F. McCollum, Conoco's President, is on the CED Board but was not present at the meeting on the twenty-first.

I wondered if it would be possible to get a copy of your remarks. I note however that the sessions were "off the record" and your remarks may not be written.

Very truly yours,
